All animals are well cared for, with shelter, plenty of fresh air, water, natural grains, and pasture. They are free roam, not caged No hormones or steroids are ever given. We try our best to keep healthy, clean animals and living spaces. We only give antibiotics, if absolutely necessary, to save the animals life. If we do so, we will let you know and give you other options if you would prefer. You are welcome to come with an appointment to check out the farm. Deposits are non-refundable, unless the animal were to die unexpectedly. Once that deposit is paid the animal is bought and raised for you.

Beef and lamb are ordered by April 15 only processed once a year in August/September. Beef is processed every December/January. All depends on weather and how all are eating and drinking.

All processing is done by USDA approved processor and all meat is inspected at facility. All meat prices include processing, vacuuming packing and are picked up at the farm. We use <u>J and L Farm Butcher Shop</u> near Dayton for large livestock. See page 2 for approximate hang weights, feeds about how many and freezer space needed.

Please call or email with questions! Check, paypal/credit card (add 5% for fees) at the farm or at website or cash. Your order form and money can be paid online and order form can be faxed, scanned/emailed or picture sent or can be mailed to:
